The new one-click Delete and Fill tool is the fastest, most precise way to delete or replace objects in your images with a single click. To activate the new tools, head to the Edit, Layers and Paths palettes, then choose the right panel (edge selection, mask or path properties) with the new Delete and Fill Button. A group of essential keyframes (designing and building a scene) is built-in, and it provides easy and customizable templates for most commonly used objects and situations. The Apply button can be used to remove a mask layer during image editing. Now, with Photoshop’s new GPU accelerators, you can enjoy much faster rendering times. This includes enhanced rendering settings, such as image quality, file format and color balanced tone. With the new Internal Retouch Preview ruler, you can see the changes you make before saving your edits. Adobe Creative Cloud from \$0/mo. Want an all-in-one design tool that includes desktop video and social media tools? You can download the latest version of Photoshop desktop for free from the Mac App Store, Apple® Yoga®, iLife® Pro Apps or the Windows desktop store. Adobe Creative Cloud on any platform enables you to mix and match desktop, web and mobile tools to build websites, apps and social networks.
